

IV. Road Symbols Need To Be Known by Oanh Vu:

Use chalk, charcoal etc. to make these symbols:

Start - Go this way - Road prohibited, do not enter - Go over obstacle - Go faster - Go back - End
 - Camp this way - Drinkable water - Not drinkable water - Separate into 2 groups - Wait Here:

	Start		End
	Go This Way		Camp This Way
	Road Prohibited, Do Not Enter		Drinkable Water
	Go Over Obstacle		Not Drinkable Water
	Go Faster		Divide Into 2 Groups
	Go Back		Wait Here

V. Conclusion:

If you want your camp members not to be lost on the road or avoid entering a dangerous area, be extremely careful when you make/draw the Road Symbols. Examine the areas and all the possibilities before allowing them to play the game to avoid injuries during the game.
